

FEMALE RESEARCH PARTICIPANTS NEEDED

Do you **eat large amounts of food** and **feel out of control**?

Do you **compensate for the amount of food you eat** (e.g. by vomiting)?

OR

Do you suffer from **Bulimia Nervosa**?

You may be eligible to participate in a research study about stress and eating behaviours!

Additional eligibility requirements:

- Female
- Aged 18 – 65
- No recent illicit drug use
- Physically healthy (e.g. no history of asthma, high blood pressure, head injury)

What does this study involve?

- A 10-minute telephone screen to determine eligibility to participate in the study.
- A 3-hour session at Ryerson University, where participants will complete questionnaires and engage in 3 brief experimental tasks. Blood pressure and heart rate will be monitored during a portion of the study.

You will be compensated for your participation. All queries are confidential.
