SEEKING PARTICIPANTS FOR A RESEARCH STUDY ON **EATING DISORDER PREVENTION**

York University and the National Eating Disorder Information Centre (NEDIC) are looking for participants for a study on young women's reactions to eating disorder prevention messages. Study participation involves watching a brief video of eating disorder prevention messages and telling us what you think. Participants will receive \$20.

You may be eligible to participate if you:

- Are a woman between the age of 18 and 25
- Can commit to 45-60 minutes to participate

Location: You can participate at either the Keele campus of York University or at the Toronto General Hospital.
