

## U.S. EATING DISORDER PROGRAMS COVERED BY OHIP Ministry of Health and Long-Term Care Preferred Providers

The Ministry has special funding agreements with the U.S. facilities listed below, which are referred to as “preferred providers”. Ontario residents seeking OHIP-covered treatment in the U.S. must apply to the Ministry for approval through a physician who is an eating disorder specialist (usually a psychiatrist). Applications from GPs are accepted only if supported by a specialist. Only proposals to receive treatment at one of the following facilities, which must be indicated on the application form (available at [http://www.forms.ssb.gov.on.ca/mbs/ssb/forms/ssbforms.nsf/GetFileAttach/014-4520-84~1/\\$File/4520-84E.pdf](http://www.forms.ssb.gov.on.ca/mbs/ssb/forms/ssbforms.nsf/GetFileAttach/014-4520-84~1/$File/4520-84E.pdf)), will be considered.

### **Child/Adolescent Programs**
