

RESEARCH STUDY

Have you been diagnosed with anorexia nervosa?

Join this research study to help us learn about how people with anorexia nervosa create an internal body image.

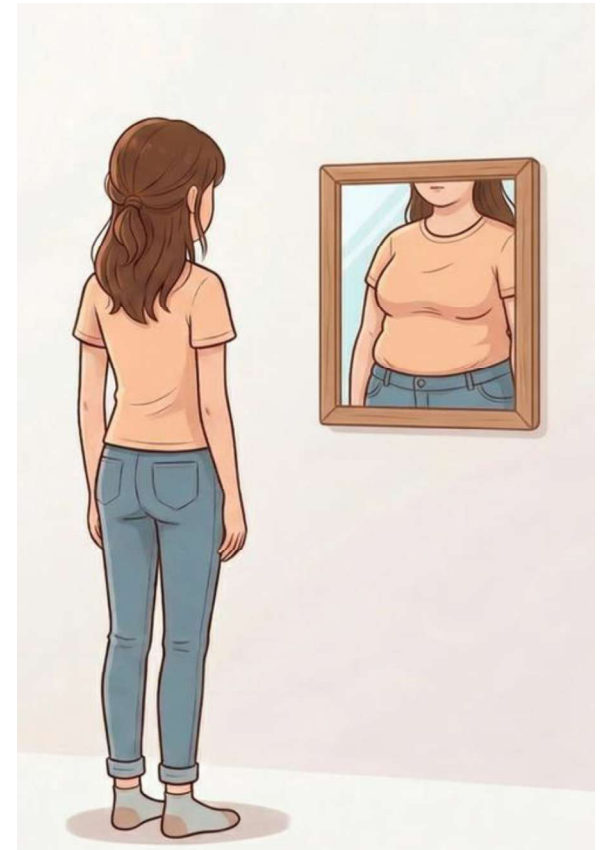

The study involves:

- An assessment to understand your symptoms and health history
- 2 study visits
- 1 functional Magnetic Resonance Imaging (fMRI) scan

You will be compensated for your time.

Eligibility:

- Are between 18 and 40 years of age
- Previously met criteria for anorexia nervosa
- Not taking psychiatric medication

To learn more about the study, contact us at:

Phone: (416) 535-8501 x 30647 or

Email: somatomap@camh.ca

V3.0; 16 APR 2026

For information about programs and services at CAMH, please visit www.camh.ca or call 416-535-8501 (or 1-800-463-6273).
