

Crisis Line Callers and Texters Across Canada

We are looking for individuals across Canada who have used a crisis line service to participate in a study exploring their experiences.

Requirements

- Located in Canada, over the age of 18
- Have contacted a crisis phone or text line in the last 10 years
- Not currently experiencing psychosis or thoughts of suicide

Interview participants will receive a \$30 CAD gift card. Survey participants will enter a draw for a \$200 CAD universal gift card.

To find out more and participate, please contact principal investigator:
Monica Sesma-Vazquez
